

# CarwashAssure™

**CarwashAssure™ keeps our car washes running and customers coming back.**

## Stay one step ahead of crisis

Avoid costly disruptions to your business and operate at peak efficiency with real-time tracking and alerts.

### Whatever the weather

Monitor real-time environmental conditions and the status of your car washes 24/7 using cutting-edge wireless sensors across all of your locations.

### No more disruptions

Continuous visibility to your sites to avoid business shutdowns and ensure maximum profitability and customer satisfaction.

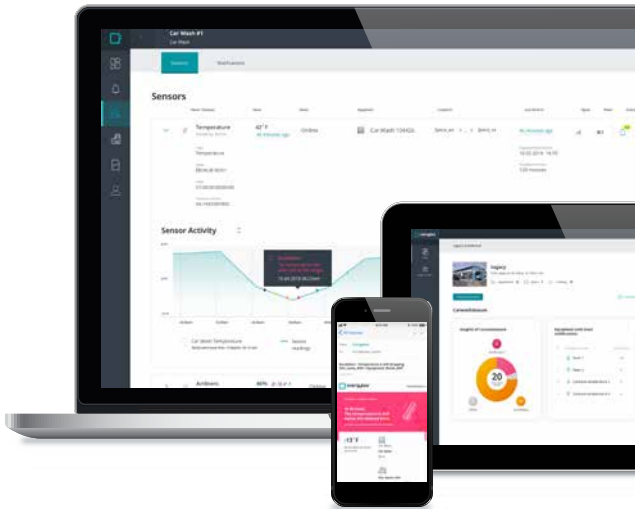

### On-the-go troubleshooting

Real-time notifications and alerts for all of your locations, enabling you to stay ahead of issues and avoid costly, unplanned service calls.

### Data at your fingertips

Access performance reports, robust insights and historical data from your smart devices.
